

# Attention 4-H Teens

## Are you:

- creative?
- an independent thinker?
- interested in gardens for kids?

## Attend Children's Garden Consultants!

- Work in small groups
- Visit children's gardens in several settings
- Take virtual online tours of popular children's gardens
- Share your opinions and make your recommendations to adults who will be taking your consulting advice very seriously.
- Gain valuable experience for your resume

***June 28-30 at Cornell University***

***Interested in business, elementary education or gardening? This program is right for you!***
