Focus Group Questions for CGC Participants

Please answer the following questions regarding your experience as a Children's Garden Consultant.

1. Of all the activities, which ones were the most useful? Why?
2. How do you feel about your role in advising children's gardens? Do you feel your opinions were valued, and that the adults really wanted to learn from you?
3. Do you feel the adults stayed out of the way enough for you to do your work?
4. Do you feel this is an option worth repeating in future years at _____? If yes, should anything be changed?
5. Should this model be used in other communities? What would it take to make that happen?
